Open Water Dives:

You must complete and log 4 Scuba Dives over 2 days.

Diving: (Please confirm the scheduled Dive time the day before.)

You must complete and log 4 scuba dives to become a certified PADI Open Water Diver. These four scuba check-out dives are completed over 2 days. I provide the scuba gear, Tanks, Regulator, Weights, and Buoyancy Compensator Device. **You should have your own Mask Fins and Snorkel for the Open Water Dives.** You might need a wetsuit depending on water temperature. If you don't have your own, and I have them in your size, you may rent them from me \$10. You will need a logbook to log the dives. Log books cost \$10 and \$20. You have the option of diving in TN \$20 per day entrance fee to Quarry, or FL for a weekend trip to Panama City or Destin. You may also complete your dives with me on one of my Caribbean Certification Vacations, or I can refer you to another scuba instructor while on your vacation.

During the 4 check-out dives I'll ask you to show me the skills you learned in the pool.

After each dive we'll log them in your logbook and after the fourth dive you'll be a certified PADI Scuba Diver. I'll give you a temporary Scuba Certification Card. This temporary card is good for 90 days. Your official PADI Certification card will arrive from PADI in a couple of weeks.

I need your picture for your certification card. Email it or bring it to me before the last dive.

Summer Schedule and Location of dives:

The Open Water Check-out dives are conducted Saturday and Sunday. You may attend both days consecutively or schedule your dives over a couple of weekends. First Group starts at 9:00. The second Group Starts at 12:00. A third group will be scheduled at 2:00 when needed. Please confirm which time you prefer. There is a maximum of 5 Open Water Students per time slot.
